## **GDPR/CCPA Data Retention/Deletion Declaration**

Under GDPR/CCPA Privacy rules, you agree and acknowledge that Pyramid Consulting, Inc. (Pyramid) will retain your personal and job related data ("Data") for the period of 7 years after the end of your assignment with Pyramid. The Data will be purged after the completion of 7 years unless you choose to ask us to amend, correct or purge any data we have that pertains to you before that time. This request can be submitted to [DPO@pyramidci.com](mailto:DPO@pyramidci.com). Please be aware that it may take up to 15 days to complete this request. Each account is associated with an email address. Please be aware that the action you request requires the specific email address with which we associate your data. A separate request will need to be filed for each email address that we use to track your data.

**I hereby acknowledge that I have had the opportunity to review this carefully, that I understand the terms of this declaration, and that I voluntarily agree to these terms.**
